SIR,

I have the honour to inform you that a reference regarding the printing of note paper headings, addresses on covers etc , was made in October 1891 to the Superintendent of the Government Press by the Education Secretary The Superintendent declined to do this work on the strength of para XXXIII of Government Order No 8277/G 151 dated 16th November 1876 Since then addresses on covers, enfacements on note papers etc , have been printed at private presses No objection was raised to this practice till November 1906 when the Comptroller took objection to the printing of note paper headings and envelops etc , at private presses The sanction of Government was sought for the charges objected to by the Comptroller and the Government were pleased to authorise the Inspector General of Education in their No 2989-91/Edn 77-07-1 dated 30th September 1907 to make his own arrangements for enfacing note papers and envelopes and debit the cost to his office contingent allowances

2. The Comptroller has now taken objection to the printing of addresses on covers and has held under objection a sum of Rs 58-8-0 incurred for this purpose in December 1910, demanding sanction of Government for the charge A copy of his letter dated 29th July 1911 is appended

To,

Sir,

With reference to correspondence ending with your letter No 691/47 dated the 19th July 1911, in re, the charges for Rs 58-8-0 incurred in December 1910 for printing covers at a private press, I have the honour to state that from the bills now furnished, it is found that the charges relate to printing ordinary covers at a private press The printing of such covers has been prohibited by Government Vide para 47 of the Stationery Rules prescribed by Government in their Order No G 6011-6C dated 27th May 1904, and in view of this general prohibition it would appear that the permission given in Government Order No 2989-91/Edn 77-07-1 dated 30th July 1907 applies only to envelopes used with note papers I request that you may be so good as to obtain the definite orders of Government in the matter, pending receipt of which the charge will be kept under objection

The enclosures to your letter are herewith returned for reference and return
